Name of organization submitting request:

Address, website, email and phone of organization, and name, title, email and phone of person submitting the request and/or other contact at organization:

Brief description of organization (for publication) and brief description of its organizational structure:

Does your organization have a US IRC §501(c)(3) exemption? If so, please indicate its current TIN.

Summary of your request:

Amount of request and to which project or program elements the funds would be applied:

(Please note: due to limited funds available for grants, and our goal of promoting social justice and peace locally and beyond, we may give priority to requests for new or special projects or expansions of existing programs; also, no awards can be given to fund staffing or similar operating costs. Individual grants are usually less than \$3,000. All properly submitted grants, however, are carefully considered.)

Describe the expected benefits and outcomes from any awarded funds, and how these results would be evaluated:

Please advise if your organization has been a recipient of an Endowment grant or other financial support from Central Congregational UCC in the past (include date(s) and amount(s) if available). Also, please indicate if your organization has a personal connection to Central Congregational UCC members or representatives (e.g., volunteers serving your organization).
